

## Google Slide Expectations

Your task is to create a short visual about a Career that you are interested in and want to learn more about. Prepare a Google Slide that provides your audience with a visual tool that will help them learn more about the Career you chose.

## Power Point/Google Presentation Requirements

- 1.) Each slide must contain a Visual that supports the content on the slide, including the title slide.
- 2.) Each Slide is well organized and laid out as an easy visual - (Related Image to the content)
- 3.) Font and Colors – The slide is very easy to read and the content is easily identified.
- 4.) Include an engaging Title Slide and an effective title to connect with the audience.
- 5.) The presentation will have a transition that will automatically move the slide to the next so it loops.  
**(I will show you how)**
- 6.) Contains all required findings of your research.

## Content Required

1. What is the job title?
2. What is the job description? Be specific in what the person would do.
3. What are the interests that are related to the career?
4. Describe the skills that are necessary for the career?
5. What types of learning opportunities should you pursue?
6. What are the job requirements? (Education background , Experience, Expertise, etc...)
7. What is the average salary/wage in the career you chose?
8. What would you like most about the career? Explain in a 4-5 sentence paragraph.
9. What would you dislike about the career? Explain in a 4-5 sentence paragraph.
10. What type of education/training would you suggest someone to take during high school?
